Seeking a New Long Term Relationship

ME: A mature, fun, spacious, bright and bubbly updated BILF (bungalow I'd like to find) with 3 bedrooms, finished basement, generous outdoor space and private drive seeking a new long-term relationship. I'm 67 years young, I've recently had work done and I'm in amazing shape. Avid gardener and animal lover.

YOU: Must enjoy a quiet community vibe, numerous shopping options, fast and easy access to transit and 401, and walks in Highland Creek Park. Must be okay with living close to UofT Scarb Campus and Centennial College. Click on my photos and videos and see my sunny open concept living and dining room with a walk out to my deck and huge, private yard. If my generous lot and gardens don't get you, my large recently reno'd kitchen and SS appliances certainly will. Downstairs, I've got a +1 bed and bathroom, expansive family room, laundry and second kitchen. If you're tired of relationships with condos, get a fresh perspective. Let's start enjoying each other's company right away. DM me for more info, my inspection, and more details of the fun things I have planned for us together. Serious inquiries only. Looking forward to meeting you.
