

20 LEWIS STREET

The Truest on Lewis

FM

THE DETAILS

Be Prepared to Be Smitten

The truest on Lewis series is back on its "End of the Road Tour," so it's time to score one of these dreamers while supplies last! And LUCKY NUMBER TWENTY doesn't play small. It's the real deal: friendly, approachable, and impossible not to love. A home that just gets you. Warmth over pretense. Connection over flash. The kind that makes space for first family dinners, 2 AM snack raids and your overdue decision to graduate from condo life, my friends. This Leslieville sweet spot delivers the perfect trifecta: city convenience, community spirit and big-time upside - Lewis is hitting its stride with its very own renaissance period. Walk it. Bike it. Live it. The street hums with long-term residents, new families, renovation projects and "new-twenties" revival vibes. Step inside to find over 1,500 square feet above grade, plus a fully separate 560-square-foot basement suite (yes, with its own entrance and ceiling height that surprises). Weekend guests? Sorted. Work-from-home HQ? Absolutely. In-laws? Maybe. It's flex in its truest form. Your third-floor primary retreat steals the show. Think: walk-in closets, an oversized four-piece bath and a private rooftop terrace that tips the balance from "nice to have" into "can't live without." The second-floor bedrooms impress with size, scale, and sunniness, while the late-'90s construction means you get the charm of the area without those century-old surprises. And, sure, are there some updates you can make over time? Absolutely - no one is suggesting those 2nd bathroom shower tiles are on your vision board (and if they are, go for it)! Your bonuses include dedicated laneway parking, a low-maintenance lot, and a turnkey property from your closing day kick-off! Ready to make that move? Lewis is calling, and it's not taking no for an answer!

Ralph Fox

FOUNDER, BROKER OF RECORD

Native Torontonians Ralph Fox recognized from an early age that the most successful people in life apply long-term thinking to their investments, relationships, and life goals. It's this philosophy, along with his lifelong entrepreneurial drive and exceptional business instincts, that have helped to establish Ralph as a top broker in the real estate market in downtown Toronto.

From the age of 12, Ralph set his sights on running his own business, and by 14, he'd already started two successful enterprises. After achieving a Bachelor of Arts degree from the University of Western Ontario, Ralph launched an importing and manufacturing company from the trunk of his car. In his twenties, Ralph continued to hone his negotiating skills by brokering business deals with partners in China, Hong Kong, India and Thailand, while at the same time managing sales agencies in major cities across the U.S. and Canada. Within a few short years, he grew his company into a full-scale operation with sales distribution networks that spanned North America and over time he was able to parlay his business acumen into his other big passion – Toronto's real estate market.

Ralph is a firm believer in the long-term potential of the Toronto real estate market. Ralph is the broker of record and founder of Fox Marin Associates – a boutique, full-service Toronto real estate brokerage with close to a half Billion in sales volume under its belt. Ralph puts his decades of success in Toronto's incredibly competitive marketplace to work, hammering out smart solutions that

meet each client's unique personal and financial objectives. He also practices what he preaches, having built a significant and growing residential investment portfolio of his own. Ralph has partnered with some of the largest developers in Canada and has contributed his unique perspective on real estate trends to a wide range of media outlets, including The Globe and Mail, The Huffington Post, Canadian Real Estate Wealth magazine, Global TV News, CTV, Metro News, The Toronto Star, and the New Condo Guide magazine.

Ralph has a keen interest in understanding how to maximize human potential and longevity. As an avid reader, some of his greatest business influences are Warren Buffett, Elon Musk and Richard Branson. Ralph is also a personal performance and leadership coach, certified by the Institute for Professional Excellence in Coaching (IPEC). Ralph holds a Master's Certification in Negotiation from Harvard University and has been asked to judge the University of Toronto-Rotman School of Management's Marketing Case Study Finals.

A true Renaissance man, Ralph enjoys the thrill of fast-paced business negotiations just as much as consulting with clients on trends in architecture and design. His "work-hard-play-hard" mentality means that in his rare off-hours, you're just as apt to catch him lacing up his hockey skates, hitting a new personal record at the gym, enjoying a fine Ripasso in a local Italian restaurant, or wandering Toronto's Annex neighbourhood with brokerage partner Kori Marin and their loveable Rhodesian ridgeback, Draper.

Kori Marin

FOUNDER, BROKER

For high-energy real estate aficionado Kori Marin, a well-lived life is achieved by maintaining an "all-in" attitude that realizes every last ounce of one's full potential. This mindset has driven successful results in every aspect of her life – from her corporate sales and account management experience to her international travels, to her years of fitness training and leadership – and is the hallmark of the exceptional work that she does on behalf of her clients in the residential real estate sector in downtown Toronto.

Kori first exhibited this "all-in" approach when, at the age of eleven, she left home to train as a classical dancer. Later, while studying at Dalhousie University, she determined that the best application of her discipline and personal drive lay in business, where she could continue to test her abilities in new and exciting ways. This led to a seven-year stint in corporate sales, where she managed a \$70+ million portfolio of accounts, including a who's who of North American retail giants like Walgreens, Target, CVS and Shoppers Drug Mart. Kori was praised for her analytical mindset and incomparable organizational skills – traits that have also served her well as she's built her own real estate investment portfolio, and would allow her to transition effortlessly into real estate as a full-time career.

Determined as ever, from the moment Kori focused her attention on the real estate industry, people took notice: in her first year, she won Rookie of the Year and President's Sales awards from Royal LePage Real Estate Services, J&D Division – one of the largest and most established brokerages in Toronto. In time, it became apparent that the big luxury brands that often take a "one-size-fits-all"

approach to real estate were becoming more and more antiquated, and failed to serve the best interests or the specific needs of Kori's creative, forward-thinking and design-savvy clientele. Because of this, Kori and her partner Ralph made the decision to combine their diverse expertise and complementary skill sets, to revitalize the residential real estate experience for Toronto home buyers, sellers, and investors. And so, Fox Marin Associates was born.

Now among the Top 1% of Toronto Realtors, Kori continues to bring her own brand of charismatic energy, creative integrity, and expertise to her multifaceted work-life: not only is she a managing partner in the unstoppable force that is Fox Marin Associates – a consistently five star-rated brokerage with close to a quarter billion in real estate sales volume in its first three years. She's also an attentive and relatable manager of a growing team of both seasoned and up-and-coming real estate powerhouses in central and downtown Toronto.

When she's not marketing properties for sale, consulting with clients, gaining certifications in Negotiation Mastery from Harvard University, Digital Marketing from Brain Station or taking a turn judging Rotman's Business School Marketing Case Studies, Kori channels her boundless energy into fitness training or hiking with brokerage partner Ralph Fox and their #1 Ridgeless Rhodesian ridgeback, Draper. She also travels widely and has logged many kilometres of exploration around the world. Her favourite journeys to date? Trekking the Annapurna Circuit in Nepal, going on safari in South Africa's Kruger National Park, and visiting the Elephant Nature Park in Chiang Mai, Thailand.
